RAVENSBRÜCK

In the final days of WWII the Germans burned their meticulous lists of their deeds. Several Polish women succeeded in saving some of the pages, which are now in Prague in archives of the Military museum. It's title:

DECEASED WOMEN FROM CZECHOSLOVAKIA IN RAVENSBRÜCK AFTER 1.1.1945 UNTIL 30.4.1945, WHOSE PASSING WASN'T ANNOUNCED TO THEIR FAMILIES

I tried to compile all, but due to the burning of "Zugangslisten" (lists of admissions) it wasn't possible.

RAVENSBRÜCK

In the final days of WWII the Germans burned their meticulous lists of their deeds. Several Polish women succeeded in saving some of the pages, which are now in Prague in archives of the Military museum. It's title:
