Siena - Corsa del Palio

2 LUGLIO - 16 AGOSTO

We are having a lovely time
cycling through central Italy.
Now we are in Siena. On this
card you see the main square
with the famous horse race
that is held every year.

We spent several days in
Florence, and hope to get
far as Rome.

It is very hot and now (at
half past 8 in the evening) we
are sitting out of doors in a
café. Much love from Nat and

Joan.
