Florence. Wednesday

26 September

We arrived back in  
Florence yesterday after  
visiting Rome, Assisi,  
Siena and several other  
places, partly by bicycle  
(we hired some here) and  
partly by train.

The countryside is so  
beautiful — full of vine-  
yards on the slopes of  
fertile hills and little  
mountain streams.

Love from Mum & Joan.

"Lavenham",  
Beech Road,

Surrey.
