Arrived here this morning by Helbig Express. Was very busy in Paris, meeting a great many new people. Luckily our agents there are very nice indeed. Paris was quite empty; little traffic hardly a theater or exhibition open. Quite pleasant really. - Here it's very warm today. My hotel is however near the lake, so there is a little breeze. I hope you don't feel too lonely without water. - I am leaving Sunday night, expecting to arrive in Antwerp on the 1st in the morning.
With love, Mat
