Dear Mr. Schritzer
How kind it was your husband
ringing me up when passing
but it was a pity he could not
come to us. I am staying at San
Remo for 3 weeks with my hus-
band who is here for a treatment
for 6 weeks for his arthritis of
the knee. He seems a bit better
or we hope for the best.
Most beautiful weather, hot
and lovely sun. Some people do
sail bath in the sea.
I hope the kids and you both are in
quite good health.
With love to all.

Prop. riservata Gieffe.
