Ravenna. 21.5.59.

We bathed this morning
this afternoon we have had a
surfeit of mosaics in Ravenna,
amazing sight and untouched since
the fifth century. Saw also the
 tomb of Dante with the Florentine
oil burning above. The weather
has been perfect & beautifully
hot & only a few drops of rain
on Tuesday lunch time. We go
to Venice tomorrow starting at 6.30 am
& arriving back at 11.30 pm.
