Rambla de las Flores

18/5
This is one of the pleasant
avenues leading to the Port where
the pavement is in the middle, and
carriage ways on both sides, and
narrow pavements along the
kerbs. Between 7-9 pm the
walled Barcelona seems to
well up & down in the middle,
Stopping for a sherry, coffee or
orange juice. Here you enjoyed
the wonderful boulevard. It's a
but not too late. Love Max
