Dear Family,

We are having a lovely time in ~~At~~ Venice. The flight was very exciting, and we could see the snow-capped alps. After lunch yesterday, we strolled through some back-streets, and saw the Naval Museum.

To-day we went on a very interesting tour; we went through the Merceria to the Rialto, & visited the Doges Palace, with fantastic art & armoury collections. We fed the Pigeons, and went up the tower, the bells nearly broke our ear-drums!

The weather has not been good, but the ship is lovely. Steven
