staying in Venice X Hostel.
Venice is a great place
& much bigger than I
imagined & not as touristy
as everyone kept saying.
It's beautifully sunny now
it was thundering, hailing
etc etc at the Ballantrays.
Their house is not near
Bergamo at all but it's
in beautiful country. they
looked after us as well as
they could cos it was
pouring all the time
there & we couldn't go
out. lots of love Veronica
