MAT

511/24 - En Champagne
REIMS (Marne)
Façade de la Cathédrale (XIII^e s.)

Editions GREFF, 74 rue des Archives, PARIS
Imprimé en France - Reproduction interdite

I stayed 2 nights ago
in Meaux, in the Brie
region, east of Paris.
This morning I was
in Epernay, and I had
lunch in Reims, in
front of the cathedral
where I spent some time
talking to people I had
met the day before, and
being interviewed for the
television! This region is,
of course, famous for its
Champagne, so there are
many beautiful vineyards. Love William
