Set 4th Sept
Staying in this quietest
for 2 days. At this time of
year the season is winding
down, so it's very peaceful
and not too hot. I think you'd
quite like it here - I'm staying in
a pensione (of which there are many)
and most guests are about your age
(or older!) At night it gets a little
busier, but still very "tranquillo"!
Ediz. Ris. A. Preda - Milano Riprod. viet.
You'd have to speak Italian, though!
