hope to see "Il Palio" the world's most famous horse race (so the Italians say!).
The trials were very exciting. I'm looking forward to being back at the end of September.

I Had a very pleasant four days in the island of Elba (Napoleon's place of exile). Now I'm in Siena, where I have been many times before. This time I hope to see "il Palio" the world's most famous horse race (so the italians say!).

The trials were very exciting. I'm looking forward to being back at the end of September.
 Love William.
