VENEZIA - Piazza San Marco
VENICE - Saint Mark's Square
VENISE - Place Saint Marc
VENEDIG - St. Markusplatz

You may wonder what
we are doing here again
we travelled as far as

Pavestum - well worth a
visit - towards Sicily but
then decided to turn
North again. It was far
too hot for me & southern
Italy was also very dirty
& some of the campsites
impossible. We are now at
what we think is the best
site in Europe - just taking
it easy - swimming, sleeping
& eating. When it gets colder
a visit to Venice
