TORINO (Turin)

Il Duomo con Cupola della Cappella
Santa Sindone

The Cathedral with the Cupola of Santa
Sindone Chapel

Le Dôme avec la Cupola de la Chapelle
de la Santa Sindone

Die Kathedrale mit Kuppel der Santa
Sindone Kapelle

Yesterday we visited
the Cathedral where the
Holy Shroud is kept and
also the Royal Palace
next door (the big
building shown here, at
the back). On the
extreme left you can
just see some green,
where the Roman theatre
was. Turin is a lively
most interesting city.
Much love from Mum & Joan
