

LE CINQUE TERRE - MONTEROSSO

Scorcio panoramico
Vue panoramique
Panoramic view
Malerischer Ausblick

Sunday,
10 Oct. 1987

This shows the harbour

and rocky seascape round
Monterosso, a delightful
small town built up a
steep hillside surrounded by
vineyards, where we have
stayed for 2 days. To-day
we walked to another of the
"cinque terre" (or 'five towns'
called Vernazza, along the
coastal path, & back. The
grapes are brought down the
mountains in boxes carried
on women's heads.
